

UC Love

I will give up all my money baby
For your unconditional love
I will give up all my friends and ladies
For your unconditional love

For your unconditional love 4x

I will climb any mountain baby
For your unconditional love
I will cross any river baby
For your unconditional love

I will catch any bullet baby
For your unconditional love
I will earth, wind and fire baby
For your unconditional love

For your unconditional love 4x

I will give you all my love, I'll drain it
For your unconditional love
I will suck up all your pain, replace it
With my unconditional love

With my unconditional love 4x

I will catch any bullet baby
With my unconditional love
I will earth, wind and fire baby
With my unconditional love

With my unconditional love 4x
